

PHOTO AND VIDEO CONSENT

We would like to give as many students as possible the same experience, and in order to do so, we would like to share photos and videos of your son's/daughter's adventure. However, we will only make use of these photos and videos if you and your son/daughter provide your consent to our use as further set out below.

If you provide your consent, photos and videos in which your son/daughter is depicted may be used on the STS and partner websites, blogs and social media channels (Facebook, Instagram, Snapchat, YouTube, etc.), as well as in online advertisements in different channels and printed materials, such as brochures and flyers.

What happens if we change our minds and want STS and partners to stop using photos or videos in which our son/daughter is depicted?

You have the right to withdraw your consent to our processing your son's/daughter's personal data at any time. If you wish to withdraw your consent, you can contact us at dataprotection@sts.se. You can also contact us at any time if you have any questions or comments about this matter. Please note that photos of your son/daughter may still appear in already printed and distributed materials even if you withdraw your consent.
